## Automatic Dishwashing

We are able to supply, install, and maintain chemical dispensing equipment for most commercial dish washing machines. We also sell and lease low and high temperature dish washing machines for qualifying accounts. Our service program includes regular preventative maintenance calls as well any service call ups.

## Detergents

Product Name	Description	Pack	NMS#
Aura Det	Liquid automatic dishmachine detergent for most water, temperature, and soil conditions.	4/4 L	<b>165002</b>
		20 L	<b>165003</b>
		205 L	<b>165028</b>
Aura Ultra Det	Liquid automatic dishmachine detergent for all water conditions.	4/4 L	<b>165001</b>
		20 L	<b>165004</b>
Aura Chlor-Det	Chlorinated liquid automatic dishmachine detergent for most water, temperature, and soil conditions.	20 L	<b>165017</b>
Aura Soft Metal Detergent	Low alkaline liquid automatic dishmachine detergent for washing soft metals such as aluminum.	20 L	<b>165023</b>

## Rinse Aids

Product Name	Description	Pack	NMS#
Aura Rinse	Liquid automatic rinse additive to promote faster drying and spot free results in most water conditions.	4/4 L	<b>165005</b>
		20 L	<b>165006</b>
		205 L	<b>165029</b>
Aura Ultra Rinse	Liquid automatic rinse additive to promote faster drying and spot free results in all water conditions.	4/4 L	<b>165011</b>
		20 L	<b>165009</b>

## Powdered Dishmachine Detergent

DL-50 Machine Dishwash Powder	Powdered automatic chlorinated dishmachine detergent for most water, temperature, and soil conditions.	10 KG	<b>169996</b>
-------------------------------	--	-------	---------------

## Presoaks

Product Name	Description	Pack	NMS#
Aura Chlor Soak	Liquid chlorinated alkaline presoak for pre-removing soil from stainless steel, porcelain, and glassware.	4/4 L	<b>165019</b>
		20 L	<b>165018</b>
Aura Silver Soak	Liquid enzyme based presoak safe for pre-removing soil from all types of ware.	4/4 L	<b>170094</b>
Aura Pink San	Powdered chlorinated presoak for pre-removing soil from stainless steel, porcelain, and glassware.	20 KG	<b>170231</b>

## Kitchen Cleaning and Sanitizing

In addition to our automatic warewash products we carry a very complete compliment of other related kitchen cleaning and sanitizing items. Some of these may be dispensed using dispensing equipment we provide on loan and maintain on a regular basis. All of our products have been time tested and proven to provide the results our commercial clients demand for their most difficult to clean environments.

## Sanitizers and Testing Kits

Product Name	Description	Pack	NMS#
Aura San	Liquid chlorine based sanitizer that can be used in the final rinse of a low temperature dishmachine.	4/4 L	<b>165007</b>
		20 L	<b>165008</b>
Aura Quat	Liquid Quaternary Ammonia based sanitizer for third sink sanitizing in a three compartment sink.	4/4 L	<b>165013</b>
		20 L	<b>165027</b>
Aura Ostro Dine	Liquid Iodine based sanitizer for third sink sanitizing and used as a final rinse sanitizer in bar glasswashing machines.	4/4 L	<b>170178</b>
Clorox Ultra 7.4%	Commercially packed chlorine bleach at 7.4%.	3/3.57 L	<b>170071</b>
Aura Chlor-6	Commercially packed chlorine bleach at 6%.	4/4 L	<b>170077</b>
Chlorine Test Kit	A kit for testing proof of sanitization when using chlorine as a final rinse sanitizer.	Each	<b>170372</b>
Quaternary Ammonia Test Kit	A kit for testing proof of sanitization when using quaternary ammonia as a final rinse sanitizer.	Each	<b>170371</b>
Iodine Test Kit	A kit for testing proof of sanitization when using iodine as a final rinse sanitizer.	Each	<b>170369</b>

## Manual Dishwashing Detergents

Product Name	Description	Pack	NMS#
Aura Pot & Pan	Liquid high sudsing pH neutral surfactant based detergent for manual washing of all ware.	4/4 L	<b>165033</b>
		20 L	<b>165034</b>
Zaal Lemon Fresh Dish Soap	A lemon scented detergent for manual washing that economically cuts grease and strips away food soils.	4/4 L	<b>170016</b>

## Hand and Skin Care

We have partnered with S.C. Johnson Professional to represent their Deb brand of products. This means we have hand washing detergents, antibacterial detergents, solvent based heavy duty hand cleaners, hand sanitizers, and hand care gel. All able to be dispensed through customized high quality dispensers. In addition, we also supply bulk handsoap, and dispensers for those products as well.

## Industrial Strength Cleaning Products

In addition to our complete institutional cleaning product line, we also have available industrial cleaning products. We have access to a full range of CFIA approved products for foodplant cleaning and sanitizing, truck and vehicle washing products, and heavy duty cleaners for every type of industrial cleaning application.

<b>Product Name</b>	<b>Description</b>	<b>Pack</b>	<b>NMS#</b>
Aura Chlorfoam Plus	A premium mildly alkaline high foaming chlorinated liquid cleaner and degreaser.	4/4 L	<b>165068</b>
Aura Powerfoam Plus	A heavy duty chlorinated alkaline cleaner degreaser designed for use in food plants.	4/4 L	<b>165055</b>
		20 L	<b>170172</b>
		205 L	<b>170950</b>
Aura Pine Solv	A granular alkaline cleaner specially formulated for removing oils, greases, and other stubborn stains and soil from concrete floors	10 KG	<b>165314</b>
Ultralyte®	A Health Canada Approved Hypochlorous Acid (HOCL) Sanitizer/Disinfectant that is non-corrosive, non-hazardous, and non-toxic (no PPE are required for nor-mal use).	20 L	<b>165181</b>
Ultralyte® Spigot	A plastic spigot specifically fit to allow for convenient pouring of Ultralyte® from its shipping container.	Each	<b>165182</b>
Hurricane Fogger for Ultralyte®	The Hurricane Fogger dispenses both oil- and water-based disinfectants, deodorizers, germicides, and insecticides (110 Volt AC, 6.5 Amps, 50/60 Hz).	Each	<b>165180</b>
Liquid Chlorine Sanitizer 12%	This product is an effective sanitizer for food contact surfaces.	20 L	<b>170171</b>
PN-60 No Foam Acid Cleaner	An extra concentrated non-foaming acid cleaner based on nitric and phosphoric acids.	4/4 L	<b>165011</b>
T620 Spray Foam	A high foaming alkaline liquid cleaner and degreaser. It rapidly emulsifies animal, vegetable and petroleum oils and greases. It is biodegradable and completely soluble in hot or cold, hard, or soft water. It is free rinsing and non-flammable.	205 L	<b>170957</b>
T622 Power Foam	A heavy-duty semi-viscous detergent designed for use in food plant areas and is ideally suited for application by a low-pressure foam sprayer or foam generator. It is formulated to cling to surfaces to allow prolonged contact time and improve cleaning results.	205 L	<b>170955</b>

## Commercial Dish Washing Machines

We also provide commercial dishwashing machines. These are available for purchase or on a lease to own basis. Below are a few of the makes/models that we provide, in undercounter, upright, and conveyor type machines. We have access to many more and would be happy to survey the locations of anyone interested in a machine, and then providing a quotation to fit your requirements.

Machine Name	Description	Image
Stero Undercounter Dishwasher SUH and SUL	A front loading undercounter commercial dishwashing machine. Available in high temperature sanitizer (SUH), and chemical sanitizing (SUL).	
Stero Upright Single Rack Dishwasher SD3	An inline, or corner installable upright single rack dishwashing machine. It can be operated with chemical sanitizing, or with the optional booster installed, high temperature sanitizing.	
ADS ASQ II Glasswasher	The ASQ II Glasswasher is revolutionary in both concept and design. It offers the cleaning action of a dishmachine in a carousel system. The carousel is divided into three positions by stainless steel panels. These panels isolate each compartment, controlling the water and washing action of the rotating spray.	
ADS AF/AFC-S	The AF/AFC-S is an upright low temperature single rack dishwasher that can be installed inline, or in a corner setting. It relies on local hot water for its washing temperature, but this can be assisted with the use of an optional booster heater.	
ADS 5AG-S	Double rack model designed to multiply your dishwashing capability. Features 20 1/2" door opening, air-gap fill, dual screening. Washes 74 racks per hour with two powerful 1 1/2 HP Pumps.	
ADS ADC-44	A 44 inch conveyor dishwasher that is rated for 244 racks per hour. It operates only when racks are inserted into the machine. It has unrivaled cleaning ability and uses as little as .49 a gallon of water per load. May be operated as a low or high temperature sanitizer (optional booster heater required for high temperature sanitizing).
